THE CASTLE HILL SERIES BATCH TWO: 13-YEAR-OLD

The Castle Hill Series Batch Two is the second release of our limited-edition, vintage series that celebrates the art of batching old casks, one of the many methods Milam & Greene enlists to create its award-winning range of whiskies. Born inside the walls of the historic castle on the hill in Austin, Texas, this series showcases Master Blender Heather Greene's cask selection and blending skills. Just 26 vintage barrels, each aged for more than 13 years, were married to create this sought-after spirit. Each barrel brings its own unique character to the spirit resulting in a stunning bottle of Bourbon. Only 511 six-pack cases will be released this year. It won't be available for very long, so find a bottle, pour yourself a dram and one for a friend. Great bourbon whiskey, like life, is best savored and shared.

TASTING NOTES
