### MILAM & GREENE TRIPLE CASK STRAIGHT BOURBON WHISKEY

Our premium Texas bourbon is the heart of this whiskey and is made from 70% Texas corn, 22% Pacific Northwest malted rye from Oregon & Washington, 8% Wyoming barley and a proprietary yeast recipe from Kentucky and Texas. Each bottle of Milam & Greene Triple Cask is a batch of three hand selected straight bourbon whiskeys: Texas bourbon for a pop of spice, Kentucky bourbon for vanillas and fruits and vintage Tennessee bourbon for structure and tannins. It is then proofed to taste and bottled on site at 94 proof.

**Color:** Deep gold

**Nose:** Refined and elegant, with pops of vanilla, florals and spice

**Palate:** Creamy and soft, surprisingly smooth for a 94 proof spirit

**Finish:** Medium warm finish, with structure and tannins

### MILAM & GREENE SINGLE BARREL STRAIGHT BOURBON WHISKEY

As part of our award-winning, independent “Single Barrel” range, each barrel is evaluated, bottled, and hand-selected from Milam & Greene’s growing sourced collection. The team only bottles whiskeys that demonstrate elegance and personality. No two casks are the same and each cask will yield approximately 280 bottles. The cask number, proof and alcohol by volume is hand-written on each label. This year’s lot comes from Tennessee and has already won numerous medals and accolades. Our fans can expect a variety of gorgeous single barrel offerings for years to come.

**Color:** Dark honey

**Nose:** Almonds, cherries and vanillas with a hint of maple syrup and dark chocolate

**Palate:** Creamy and rich

**Finish:** Long and lingering, as a single barrel should be

### MILAM & GREENE STRAIGHT RYE WHISKEY FINISHED IN PORT WINE CASKS

Indiana Rye whiskey is brought to Texas where we batch it in our warehouse and finish it in old Port Wine Casks. The Texan sun influences the rate and strength of flavor imparted into the whiskey. Some casks take longer than others. The team tastes the whiskey finishing in the Port Wine Casks regularly until the optimal flavors are achieved. Casks are then batched together, tested regularly and proofed before bottling.

**Color:** Ruby

**Nose:** Cinnamon, chocolate, dark fruits such as black currants and blackberries

**Palate:** Rich, velvety for a 94 proof spirit

**Finish:** Long and warm

## KEY SELLING POINTS

### Experience

Milam & Greene is created by some of the world's most experienced whiskey veterans, including whiskey expert and author Heather Greene and 30-Year Kentucky veteran Marlene Holmes who create whiskey with the whiskey drinker in mind.

### Distilling

We distil on pot stills in Texas AND on continuous column stills in Kentucky. Different stills create different flavors, even when we use our own proprietary yeast and grain recipes with our experienced people.

### Aging

Milam & Greene barrels are aged across four states each with different terroir, in barrels with varying char levels and sizes, in order to create delicious whiskies.

## PRESS HIGHLIGHTS

### The New York Times

In the Male World of Whiskey, More Women Are Calling the Shots

Though sexism is still rampant, a number of women are now distilling, blending and reshaping the business in their image.
