MARSHA MILAM FOUNDER

Texas entrepreneur Marsha Milam brought her passion for building successful ventures such as the Austin film-festival and “KGSR’s Unplugged at the Grove” to Provision Spirits after breathing in a quiet moment inside a Kentucky warehouse. “All that quiet, the beauty, and the irreverence of whiskey spoke to me. It sits in that barrel and does exactly what it wants to do. You can’t rush it.” With the launch of the Milam & Greene Whiskey range in Autumn 2019, she carried out her vision for expansion by hiring what she refers to “Dream Team” and since then the Milam & Greene has expanded distribution across multiple states in America.

Marsha currently sits on the boards of The Austin Film Festival, the Clifford Antone Foundation, the HOPE Outdoor Gallery and H.O.M.E. (Housing Opportunities for Musicians & Entertainers).
