

INTRODUCING

MILAM & GREENE

THE NEW FLAGSHIP WHISKEY FROM PROVISION SPIRITS,
PRODUCERS OF BEN MILAM WHISKEY

Created by a whiskey dream team that settled in the heart of Texas, Milam & Greene embodies 55 years of American whiskey experience. Texas entrepreneur Marsha Milam, Michigan-born renowned whiskey expert, author and Master Blender Heather Greene, Kentucky veteran Master Distiller Marlene Holmes, and Texan bred Chief Brewer Jordan Osborne embrace the art of distilling on-site, aging, blending, batching, proofing, sourcing, finishing and bottling - all of it. This complete set of required skills seems to have been lost or forgotten over time, but at Milam & Greene we celebrate each of them under one roof to create stunning American Whiskey.

Excellent whiskey begins with the best ingredients. American grains from Texas, Oregon, Wyoming and Washington unite to create robust aromatics and flavors. Casks roll in from Tennessee, Indiana and Kentucky, some of them are already filled with carefully aged whiskey, others are pristine and empty, ready to be filled with home-distilled spirit. The team lassos the wily Texan environment into each bottle adding spark and personality.

MILAM & GREENE: A TRUE AMERICAN WHISKEY WITH A TEXAS HEART

MILAM & GREENE TRIPLE CASK STRAIGHT BOURBON WHISKEY

Introducing our premium Texas bourbon which is made from 70% Texas corn, 22% Pacific Northwest malted rye from Oregon & Washington, 8% Wyoming barley and our proprietary yeast recipe from Kentucky and Texas. Each bottle of Milam & Greene Triple Cask is a batch of three hand selected straight bourbon whiskeys: our 2-year-old premium Texas bourbon for a pop of spice married with 3 to 4-year-old Tennessee whiskey for vanillas and fruits and 10 to 11-year-old Tennessee whiskey for structure and tannins. It is then proofed to taste and bottled on site.

Color: Deep gold
Nose: Refined and elegant, with pops of vanilla, florals and spice
Palate: Creamy and soft, surprisingly smooth for a 94 proof spirit
Finish: Medium warm finish, with structure and tannins

MILAM & GREENE STRAIGHT RYE WHISKEY FINISHED IN PORT WINE CASKS

Indiana Rye whiskey is brought to Texas where we batch it in our warehouse and finish it in old Port Wine Casks. The Texan sun influences the rate and strength of flavor imparted into the whiskey. Some casks take longer than others. The team tastes the whiskey finishing in the Port Wine Casks regularly until the optimal flavors are achieved. Casks are then batched together, tested regularly and proofed before bottling.

Color: Ruby
Nose: Cinnamon, chocolate, dark fruits such as black currants and blackberries
Palate: Rich, velvety for a 94 proof spirit
Finish: Long and warm
