ABOUT US: WE LOVE WHISKEY!

Milam & Greene was created by founder Marsha Milam, whiskey expert and Master Blender Heather Greene, Kentucky veteran Master Distiller Marlene Holmes and Chief Brewer Jordan Osborne. Our charming distillery sits in the lush, Texas Hill Country where the hot summers, mild winters, and wild temperature variances add spark and personality to our spirit. To achieve excellence, we bring in grains, yeast, barrels and experience from all across America to create our award-winning whiskies.

AN AWARD-WINNING, INDEPENDENT AMERICAN WHISKEY RANGE WITH
OVER HALF A CENTURY OF EXPERIENCE IN EACH BOTTLE

MILAM & GREENE DISTILLERY EDITION 1 STRAIGHT BOURBON WHISKEY

This inaugural 2020 release of our limited edition “grain to glass” Straight Bourbon Whiskey is the distillery’s first Certified Texas Whiskey produced in Blanco, Texas. The mash bill is 70% corn, 22% malted rye and 8% malted barley. The Texan terroir, and careful attention to the selection of casks for aging round out the elements that make this bourbon so special. Just seven barrels came together to create this one-of-a-kind Texas whiskey. We non-chill filtered, and hand-bottled at barrel proof — 60.9% ABV / 121.9 proof — to showcase the richness and complexities that the distilling team meticulously cultivated along the whiskey-making process.

Color: Deep amber

Nose: Nuts and baking spices that gives way to soft vanillas and chocolates

Palate: Sweet and smooth, yet has a lot of pepper and spiciness from the malted rye

Finish: Luscious, rich and lingering

WHAT MAKES US SPECIAL?

Milam & Greene has truly shaken up the industry by harnessing a deep passion for whiskey and bringing so many different skills to the whiskey table. We're the only independently owned and operated company in America that openly embraces a multitude of traditional and innovative ways to make stunning spirit under one label:

- Our whiskey dream team embodies over 60 years of experience – more than any other craft whiskey company.
 - We use our own proprietary yeast recipe to yield beautiful aromas.
- We distill on a 300-gallon copper pot still in the heart of Texas Hill Country AND on classic column stills in Bardstown, Kentucky – each produces different notes and character.
- We age and batch vintage whiskeys from various states together with our own characterful distillate to create unique and gorgeous flavors.
 - We source bourbon barrel gems for our limited, sought after “Single Barrel” range.
- We mature and finish in multiple barrel types in Blanco, where the unique Texas terroir enables us to play with timing and tastes.
 - We release coveted small batch “grain to glass” whiskey and yearly limited editions.
- We blind proof, hand bottle, and label each whiskey with tremendous care and heart.
