MILAM & GREENE

W H I S K E Y

STRAIGHT RYE WHISKEY FINISHED IN PORT WINE CASKS

Please enjoy our flagship Port Finished Rye whiskey, which is brought from Indiana to Texas where we batch it in our Blanco warehouse and finish it in old Port Wine Casks. The Texan sun influences the rate and strength of flavor imparted into the whiskey. Some casks take longer than others, so our expert team tastes the whiskey finishing in Port Wine Casks regularly to determine when optimal flavors are achieved. Casks are then batched together and proofed before bottling. The result is a gorgeous ruby colored rye with luscious aromas of cinnamon, chocolate and dark fruits such as black currants and blackberries. The palate matches with robust flavors carried in a rich, velvety whiskey with a long warm finish.

TASTING NOTES

Color: Ruby

Nose: Cinnamon, chocolate, dark fruits such as black currants and blackberries

You should always savor this delicious whiskey the way you want to, whether it be straight, on the rocks, in a delicious cocktail or as a “Simple Serve”.

THE MILAM & GREENE PORT FINISHED RYE “SIMPLE SERVE”

You can enhance the perfect pour of Milam & Greene by influencing the aromatics that can be found within the whiskey. After you pour yourself a glass, simply zest or squeeze a grapefruit peel into the glass, then drop it in. You can then play with water and/or ice to personalize our whiskey to your palate and enjoy your “Simple Serve.”
