MILAM & GREENE

W H I S K E Y

TRIPLE CASK STRAIGHT BOURBON WHISKEY

Please enjoy our flagship bourbon made from 70% Texas corn, 22% Pacific Northwest malted rye from Oregon & Washington, 8% Wyoming barley and our proprietary yeast recipe from Kentucky and Texas. Each bottle of Milam & Greene Triple Cask is a batch of three hand selected straight bourbon whiskies: our 2-year-old premium Texas bourbon for a pop of spice married with 3 to 4-year-old Tennessee whiskey for vanillas and fruits and 10 to 11-year-old Tennessee whiskey for structure and tannins. It is then proofed to taste and bottled on site. Drink in the deep golden color, breath in the refined and elegant aromas with pops of vanilla, florals and spice, then savor the silky texture and smooth finish.

TASTING NOTES

Color: Deep gold

Nose: Refined and elegant, with pops of vanilla, florals and spice

Palate: Creamy and soft, surprisingly smooth for a 94-proof whiskey

Finish: Medium warm finish, with structure and tannins

DRINK SUGGESTIONS

You should always savor this delicious whiskey the way you want to, whether it be straight, on the rocks, in a delicious cocktail or as a “Simple Serve”.

THE MILAM & GREENE TRIPLE CASK BOURBON “SIMPLE SERVE”

You can enhance the perfect pour of Milam & Greene by influencing the aromatics that can be found within the whiskey. After you pour yourself a glass, simply zest or squeeze an orange peel into the glass, then drop it in. You can then play with water and/or ice to personalize our whiskey to your palate and enjoy your “Simple Serve.”
