TRIPLE CASK

A BLEND OF STRAIGHT

BOURBON  
WHISKIES

## ABOUT US: WE LOVE WHISKEY!

Milam & Greene was created by founder Marsha Milam, whiskey expert and Master Blender Heather Greene, Kentucky veteran Master Distiller Marlene Holmes and Chief Brewer Jordan Osborne. Our charming distillery sits in the lush, Texas Hill Country where the hot summers, mild winters, and wild temperature variances add spark and personality to our spirit. To achieve excellence, we bring in grains, yeast, barrels and experience from all across America to create our award-winning whiskies.

AN AWARD-WINNING, INDEPENDENT AMERICAN WHISKEY RANGE WITH  
OVER HALF A CENTURY OF EXPERIENCE IN EACH BOTTLE

## MILAM & GREENE TRIPLE CASK STRAIGHT BOURBON WHISKEY

Our premium Texas bourbon is the heart of this whiskey and is made from 70% Texas corn, 22% Pacific Northwest malted rye from Oregon & Washington, 8% Wyoming barley and a proprietary yeast recipe from Kentucky and Texas. Each bottle of Milam & Greene Triple Cask is a batch of three hand selected straight bourbon whiskies: our 2 to 3-year-old premium Texas bourbon for a pop of spice married with 3 to 4-year-old Tennessee whiskey for vanillas and fruits and 10 to 11-year-old Tennessee whiskey for structure and tannins. It is then proofed to taste and bottled on site.

**Color:** Deep gold

**Nose:** Refined and elegant, with pops of vanilla, florals and spice

**Palate:** Creamy and soft, surprisingly smooth for a 94 proof spirit

**Finish:** Medium warm finish, with structure and tannins

## WHAT MAKES US SPECIAL?

Milam & Greene has truly shaken up the industry by harnessing a deep passion for whiskey and bringing so many different skills to the whiskey table. We're the only independently owned and operated company in America that openly embraces a multitude of traditional and innovative ways to make stunning spirit under one label:

- Our whiskey dream team embodies over 60 years of experience – more than any other craft whiskey company.
  - We use our own proprietary yeast recipe to yield beautiful aromas.
- We distill on a 300-gallon copper pot still in the heart of Texas Hill Country AND on classic column stills in Bardstown, Kentucky – each produces different notes and character.
- We age and batch vintage whiskeys from various states together with our own characterful distillate to create unique and gorgeous flavors.
  - We source bourbon barrel gems for our limited, sought after “Single Barrel” range.
- We mature and finish in multiple barrel types in Blanco, where the unique Texas terroir enables us to play with timing and tastes.
  - We release coveted small batch “grain to glass” whiskey and yearly limited editions.
- We blind proof, hand bottle, and label each whiskey with tremendous care and heart.
